building in**

RESEARCH COUNCILS

- Setting R&D agenda
- Grant-making
- Policy development

- ☑ Build a network of Universities and Councils that will promote IID.
- ☑ Facilitate complementation of Universities and Councils in knowledge creation, sharing, and translation into IID-oriented policy.
- ☑ Create opportunities for IID collaboration among universities, councils and other intermediaries towards more meaningful and sustainable engagements with poor and marginalized groups/ sectors.

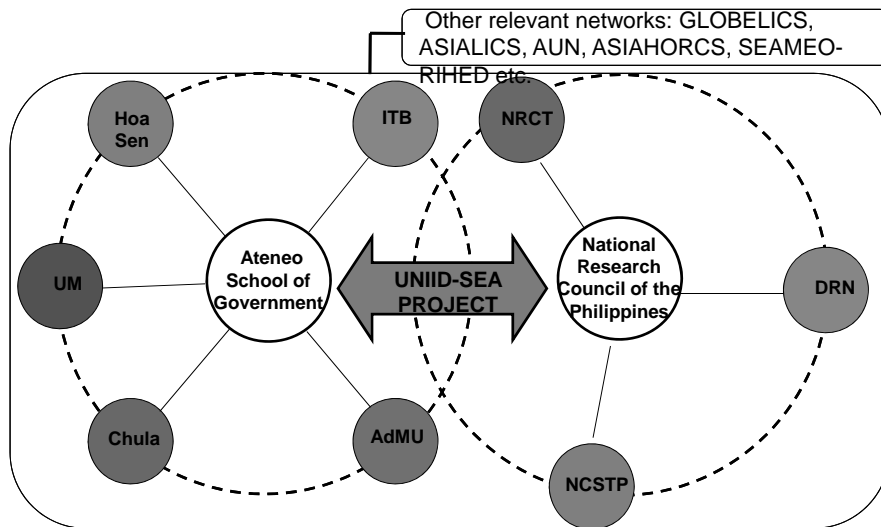

UNIID-SEA, in the long term, aims to foster

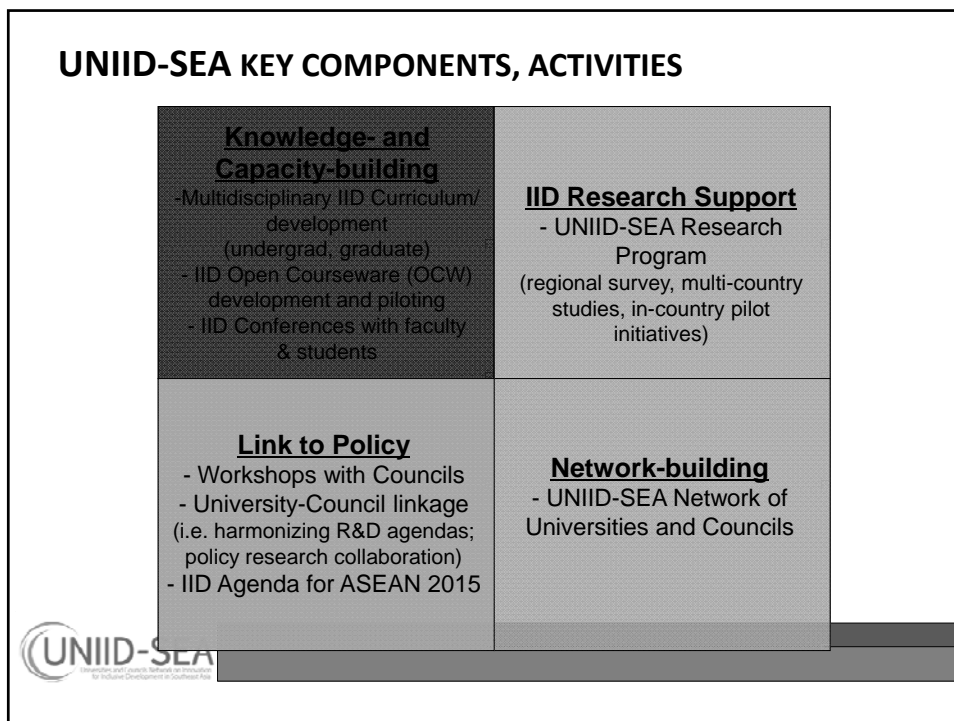

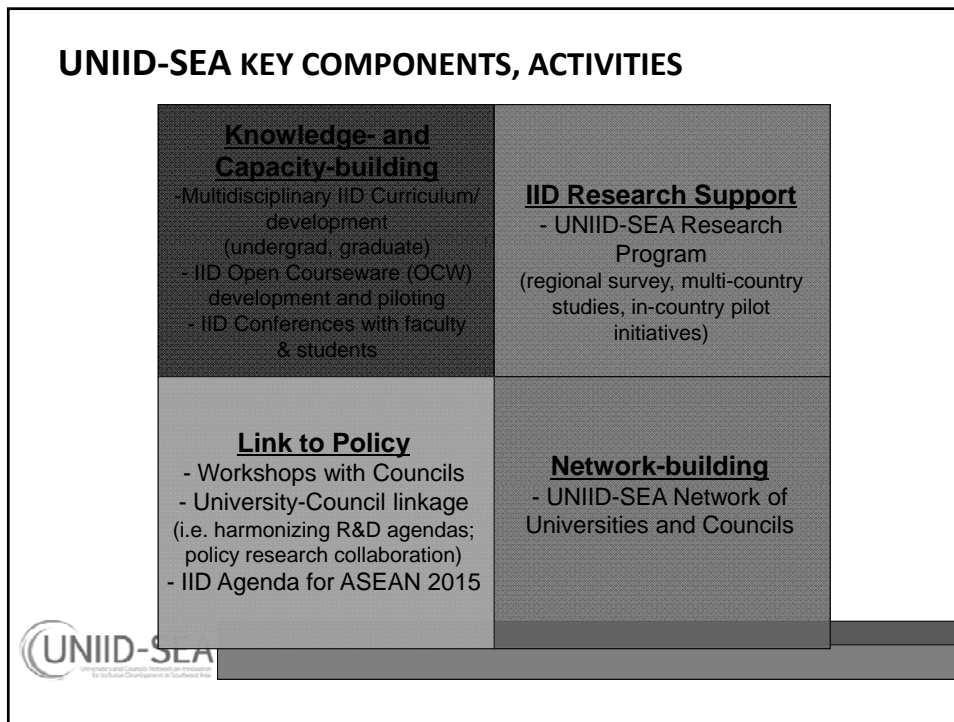

Multi-disciplinary, multi-stakeholder and multi-level (local, national, regional) approaches, mechanisms and partnerships towards IID.

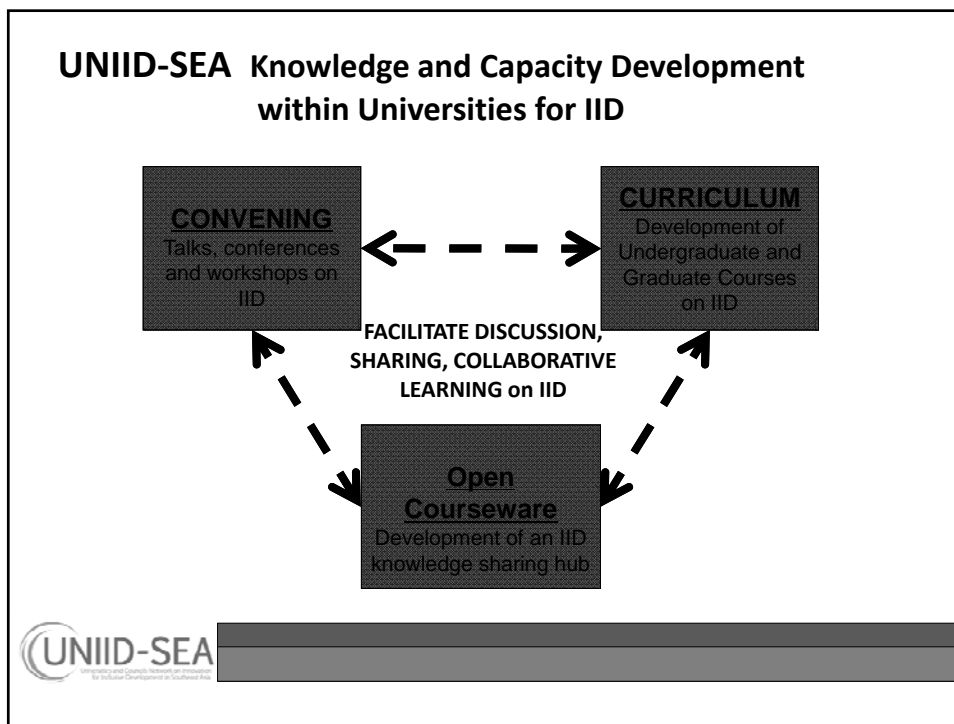

UNIID-SEA NETWORK STRUCTURE

- SUPPORTED BY:**
- a) Intra- and inter-Regional knowledge-sharing and capability-building platforms.
 - b) Intra- and inter-council
 - c) Universities-Councils
